

OPERATIONS UPDATE

March 25th, 2020

In an effort to further ensure the safety of our customers, as well as stay compliant with new state regulations, we will be closing the inside of our tasting room until further notice and moving to pick-up/package sales from our back porch. Feel free to call in your order ahead if you know what you want, and we will deliver curb-side to your car. We have also further limited the seating under our pavilion & our decks, so if you would still like to stay and enjoy some Crane Creek property views outside while you enjoy your wine you will be able to do so at a safe distance from others. Customers will still have access to the bathrooms in our covered pavilion.

We will not be offering our normal tastings, but we will be offering 2 different set flights of 4 wines for \$5 for those who still want to enjoy a limited tasting experience.

We are also continuing to offer all of our wines online for shipping to over 35 states. Use the code VINO20 at checkout to get 10% off of your order (discount stacks with ½ case and full case discounts).

We appreciate your understanding and continued support!
